Thanks giving poster that made for to be thankful of something

A sunset's mounded cloud;
A diamond evening-star;
Sad blue hills afar;
Love in his shroud.

Scarcely a tear to shed;
Hardly a word to say;
The end of a summer day;
Sweet Love dead

This the best work from Aphiwat that he spend the most time on in Adobe Photoshop and it's the best out of all of his work. " At least that what he think it's his best work anyway".

Thanks
