## VOCABULARY

**ELEMENTS OF ART:** The visual components of color, form, line, shape, space, texture, and value.

<b>Line</b>	An element of art defined by a point moving in space. Line may be two-or three-dimensional, descriptive, implied, or abstract.
<b>Shape</b>	An element of art that is two-dimensional, flat, or limited to height and width.
<b>Form</b>	An element of art that is three-dimensional and encloses volume; includes height, width AND depth (as in a cube, a sphere, a pyramid, or a cylinder). Form may also be free flowing.
<b>Value</b>	The lightness or darkness of tones or colors. White is the lightest value; black is the darkest. The value halfway between these extremes is called middle gray.
<b>Space</b>	An element of art by which positive and negative areas are defined or a sense of depth achieved in a work of art .
<b>Color</b>	An element of art made up of three properties: hue, value, and intensity. <ul style="list-style-type: none"><li>• Hue: name of color</li><li>• Value: hue's lightness and darkness (a color's value changes when white or black is added)</li><li>• Intensity: quality of brightness and purity (high intensity= color is strong and bright; low intensity= color is faint and dull)</li></ul>
<b>Texture</b>	An element of art that refers to the way things feel, or look as if they might feel if touched.
