## Task- Writing a 4 Paragraph NewsArticle About Yourself

Arts & Communications Pathways- Mr Shelor

1. Your task is to take the info from your ID Map and expand it into a 4 paragraph (20 lines minimum) news article about yourself. When done, this will go into your personal website we will start building next week.

Go on the computer and search for the application called "PAGES". We will show you how to do this.

## CONTENT-

Paragraph 1 = <u>General Information About You</u>...name..age....what class this is, school we are at..town we live in, etc.

Paragraph 2- = <u>More stuff about you</u>-where you grew up, your culture, info about your ohana, your interests/hobbies/what you like to do, music you like, foods you like, etc.

Paragraph 3- <u>GOALS</u>..your personal goals for this school year, your goals after high school, your ideal life situation /goal when you get to be say 40 years old....

Paragraph 4. - What you want to Learn....in this class, what things you want to learn from other classes in this school,

You have the rest of today, and a few minutes next class to finish this... 50 point assignment
